CONSTRUCT  
CURB, GUTTER  
AND SIDEWALK

ARIES DRIVE

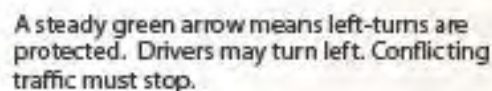

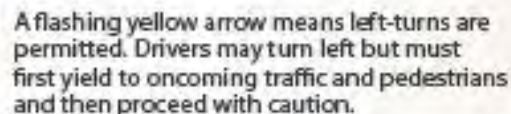

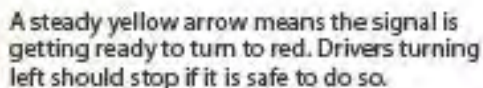

### What is a protected-permissive left-turn signal?

The protected-permissive left-turn signal recommended for the Karcher Road and Middleton Road intersection is the same type of signal you see at several locations in Nampa:

- Exiting the Winco parking lot at Caldwell Boulevard
- Karcher Road and Northside Boulevard
- Orchard Avenue and Caldwell Boulevard
- Franklin Road and Idaho Center Boulevard
